REP. BECERRA STATEMENT ON THE PASSING OF SENATOR JENNY OROPEZA

LOS ANGELES—Congressman Xavier Becerra (CA-31) released the following statement after learning of the passing of California state Senator Jenny Oropeza:

“I am deeply saddened to learn of the passing of Jenny Oropeza and my thoughts and prayers are with Jenny’s husband Tom and the entire family. California has lost one of its best public servants. Jenny was a trailblazing legislator focused on making life better for the people of southern Los Angeles County and a role model for millions of Latinas interested in serving their community. May she rest in peace.”
