

"There's a new direction being set in Congress, and I want to hear your ideas on where we should be headed."

– Congressman Becerra

June 13, 2008

Dear Friends:

There's a new direction being set in Congress, and I want to hear your ideas on where we should be headed. As your representative for the past 15 years, I have made it a priority to visit every neighborhood in the 31st District to seek out your thoughts and views on the issues of the day so that I can better represent you in Congress. A face-to-face conversation is the best way for you to share your priorities directly with me.

Coffee With Your Congressman

SATURDAY, JUNE 28, 2008

KINGSLEY ELEMENTARY SCHOOL

5200 Virginia Avenue, Los Angeles, CA 90029

(Parking entrance on Kingsley between Virginia and Santa Monica)

11 a.m. to Noon

Economic security, the ongoing war in Iraq, education, health care and climate change – these issues directly affect our lives and dominate discussion in our nation's capital. Yet, the best ideas for addressing our problems don't come from Washington, they come from the folks back home. That is why I invite and encourage you to join in on the discussion and give me your ideas on taking this country in a new direction. Together we can set a better course for America.

If you require special accommodations at this event, please call my District Office at (213) 483-1425. Furthermore, I always want to be helpful, so please do not hesitate to contact my office with any question, comment, or concern you may have.

Sincerely,

A handwritten signature in black ink that reads "Xavier".

XAVIER BECERRA
Member of Congress

P.S. – If you are unable to attend this "Coffee," make sure to check my Web site, <http://Becerra.House.Gov>, and click "Sign Me Up" to hear about the next meeting and receive periodic email updates from my office. I also post video and audio segments of each meeting under "Becerra Broadcasts" and "Becerra Podcasts" so that everyone can listen in to the conversation.

"Coffee" meetings, like this one in Glassell Park, give you an opportunity to speak directly to me about the issues you'd like to see addressed.
