The Honorable Ken Salazar
702 Hart Office Building
United States Senate
Washington, DC 20515

Dear Senator Salazar:

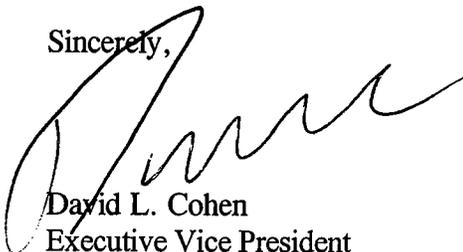

On behalf of Comcast Corporation, I am writing in support of the National Museum of the American Latino Community Commission Act of 2007 (S. 500), which will establish a federal commission to explore the viability of creating the National Museum of the American Latino in Washington, DC.

At Comcast, we work hard to demonstrate our commitment to diversity and inclusion in every area of our business and in the communities where our employees live and work. We are committed to diversity in our hiring, our suppliers, our programming, and our community investment programs. Our outreach and support for the Latino community continues to grow with the support of our local Comcasters around the nation.

We recognize the valuable contributions the Latino community has made to this nation and we fully support the efforts to explore the viability of a national museum to showcase the historical achievements of American Latinos.

We commend your leadership in sponsoring this bill. Please let me know if there is anything we can do to assist your efforts.

Sincerely,

David L. Cohen
Executive Vice President
