The Honorable Ken Salazar
United States Senator
702 Hart Senate Office Building
Washington, D.C. 20519

Dear Senator Salazar:

I am pleased to lend my support, via letters to Nevada Senators Harry Reid and John Ensign, for S. 500, which establishes the Commission to Study the Potential Creation of the National Museum of the American Latino Act of 2007.

The contributions of the Hispanic community to the development and future of our nation have long been ignored. I commend you for bringing this legislation forward.

Copies of my letters to Senator Reid and Senator Ensign are enclosed for your use as you present this legislation for consideration.

Thank you for your dedication to this idea. Please contact me if I can be of further assistance.

Sincerely,

A handwritten signature in cursive script that reads "Mo Denis".

The Honorable John Ensign
United States Senator
365 Russell Senate Office Building
Washington, D. C. 20510-0001

Dear Senator Ensign:

I am writing to request your support of S. 500, which establishes the Commission to Study the Potential Creation of the National Museum of the American Latino Act of 2007.

The Latino community faces many opportunities and challenges today. I believe the contributions made by these citizens to our nation are virtually invisible. The time has come to include the efforts of these people in their rightful place in the development and future of our country.

This measure needs the benefit of your strong leadership. I encourage you to sign onto S. 500 as a sponsor to recognize the Hispanic citizens of Nevada and our nation.

Thank you for your continued dedication and hard work on behalf of all Nevadans.

Sincerely

The Honorable Harry Reid
United States Senator
528 Hart Senate Office Building
Washington, D. C. 20510-0001

Dear Senator Reid:

I write to thank you for your sponsorship of S. 500, which establishes the Commission to Study the Potential Creation of the National Museum of the American Latino Act of 2007.

The Hispanic community has a deep interest in seeing that the national museums of America portray an inclusive picture of both their heritage and their future. As you know, there are many Hispanics who proudly call Nevada home who would be grateful to have their contributions to our State and our nation recognized in a national museum.

Your dedicated work on issues affecting all Nevadans is appreciated. Thank you again for signing onto this legislation and your continued support of this issue.

Sincerely,
