

The legislation will ensure that 96 percent of Americans will be covered by a quality, affordable health plan. The Congressional Budget Office (CBO) estimates the cost of expanding coverage at \$894 billion, consistent with the \$900 billion coverage mark laid out by President Obama. And the legislation will be paid for. CBO estimates the bill reduces the deficit by at least \$30 billion over 10 years.

To learn more about the Affordable Health Care for America Act (H.R. 3962) and the work I've been doing on health insurance reform, [click here](#).

I want to hear from you. Please make sure to leave a comment with your thoughts on this bill and the health insurance reform effort.

Many thanks!
