

**REP. BECERRA ON NORTH KOREAN SHELLING OF SOUTH KOREA ISLAND**

Washington, D.C.—Representative Xavier Becerra (CA-31), Vice Chair of the House Democratic Caucus, released the following statement after learning of North Korea’s attack on South Korea island:

**“I condemn North Korea’s attack on the Republic of Korea. Unprovoked acts of aggression do nothing to put us on a path toward long-term regional stabilization. All parties must come together to find a diplomatic resolution. The United States will continue to work with our allies in the international community to restore peace in the region, ”** Rep. Becerra said. **“I extend my deepest sympathies to the grieving families who have lost a loved one in this tragic and senseless incident .”**
